

Can Dance Studio June 2023 Newsletter

What a wonderful year of dance. I want to thank you for the trust and support you have all shown throughout the dance year. This year has been exiting and each year brings its own unique memories.

2023-2024 is already to go with some exciting new positive changes to help serve you, our dance parents, better. Our biggest news is that Regan Calicetto will be in partnership with me this year and moving forward. Her amazing communication, organizational skills, acrobatic high level instructor skills for all our competition acrobatic classes, along with her creativity and amazing choreography in contemporary, will be an asset to Can Dance moving forward.

We also are going to sadly miss Miss. Natalie as she ventures to the USA to teach with her colleagues she worked with in her past. This has been a dream of hers and it is now coming true..

Miss Dylan and Miss Ashley will be also teaching at schools closer to their homes and will be missed by all. We wish you the best of luck in all your new ventures.

Miss Suzanne, Miss Rachel, Mr Ryan, Miss Sienna, Miss Sam S, Miss Sam B, and Miss Eve will all be returning. Welcome back teachers!

We have three exciting new instructors Miss Olivia, Miss Taylor, Miss Brianna, who you may recognise as they were subbing for us this year.

We work hard to bring you the most respected and well versed instructors who can not only bring your children's technique and skills up but is also encourage their creativity, self-worth, responsibility, and compassion for not only themselves but also their peers and instructors.

Photo day and Rehearsal day

When? Thursday June 15th from 3pm – 8pm. All dancers have been given the times for their rehearsal and photos. Always rehearse first then go for your photo. If you have several dances overlapping you will dance first and then take your photo after.

Where? Clarke theatre. This is a rehearsal for staging so no parent viewing but you won't be long. Please meet in the cafeteria and we will bring dancers over when we need them and when they are done they will come back to you in the cafeteria. Only dancers who are there for the entire evening and are old enough to be on their own can stay all day.

What to wear? Please come dressed in costume with Hair and makeup on. All Hair is in a low bun no part for all routines except hip hop or any routines where your instructor has said it will be ok. Makeup competition dancers please wear competition makeup. All dances will have red lipstick do not change to blue, burgundy or pink. Recreational dancers please use mascara, or fake eyelashes if you prefer, black eyeliner (little ones do not need it) brown eyeshadow, pink blush and red lipstick. No bangs or fuzzy hair. If you are a male dancers please spike hair so it is out of your eyes. Same hair and makeup for the concert days.

Who? All dancers at Can Dance. Recreational, Competition, Adults, Preschool.

Concerts - June 16th and 17th 6pm-7:30pm Clarke theatre. Please come for your show... (order and day listed below) for 5pm dressed and ready in your first outfit.....as we have two shows this splits the evenings into an hour and a half each night. There will be no intermission so the last dancer has just as big an audience as the first. Dancers will wait in the holding room with their teacher and class until it is time to dance. Dancers will then watch the remainder of the show from the dancer section of the audience in the balcony. If your child is not comfortable being with the designated parents to watch please feel free to come up to the balcony and watch the remainder of the show with them **AFTER** they have performed upstairs. If your child is in more than one dance you are welcome to come help them change if they are under the age of 8 years of age. All other dancers must have their dance costumes ready in order with all their shoes and accessories to learn how to prepare themselves. This is why hair and makeup will be the same for all routines. Dancers with several changes will be designated a change room. If you do not see one for you please use the cafeteria for changing or ask Debbie to find you a spot. Please have one parent come to the green room (back stage holding room) to pick up their child to go home.

Accounts – Please go to your iclass registration system to download or print any receipts for the year you need. All accounting is on the iclass parent portal. Any outstanding fees must be paid.

Flowers will be for sale at the theatre on show night. A bouquet with two roses some wild flowers and other greens will be \$10 a Single rose will be \$2. We will only have a limited supply so please purchase them right away. Cash only (ATM available) as the wifi for the machines never works well in theatre.

All balances for classes, costumes and competitions must be paid in order to perform in our year end show. Please make sure all accounts are up to date with payments.

Summer Dance Camp is starting to get some great registrations. If you want to have your kids try lots of different styles, play dance games, make friends and DANCE. Come give it a try. Please register at Can Dance Studio registration page.

All dancers should have received an information letter on classes for your age and level for September.
